I support the Plebiscite for a Referendum to enact the new Constitution of Australia and the Australian NEED Act

I want to receive progress reports and arguments for our policies.

I acknowledge that by supporting this Plebiscite I will also participate in the Buyers and Sellers Alliance.

I acknowledge that the Coalition of Entities campaigning for this Plebiscite will use my personal information solely for the purpose of recording my support for the Plebiscite. I also acknowledge that I will have to provide a Yes vote in a Referendum to be held by the Australian Government on the legislation detailed in the Plebiscite.
